

# PRINCE2® 2017

## Foundation/Practitioner

World-Leading Project Management Certification

Duration: 5 Days

PRINCE2® is a preferred project management methodology of business and government around the globe. It provides a proven best practice model that ensures project delivery is on time, on budget and of high quality.

### Course Structure

The 5-day PRINCE2 2017 program comprises a 3 day Foundation Module followed by a 2 day Practitioner Preparation Module. These can be taken together or separately.

### What Option Should I Choose?

The full 5-day PRINCE2 Practitioner Certificate Program is designed for current or aspiring project management professionals who need to fully master this leading PM method and at the same time obtain a globally-recognised certification.

The course provides a very comprehensive coverage of PRINCE2 including the 7 PRINCIPLES, 7 THEMES, 7 PROCESSES as well as full preparation for the Foundation and Practitioner Certificate exams.

The PRINCE2 Foundation Certificate Course taken on its own is designed for those who are not necessarily aspiring for professional level knowledge but who nevertheless require a sufficient understanding of this project management methodology.

### Learning Outcomes

After completing this course, candidates will understand the structure and key terminology of the method. Specifically the candidate should understand:-

- Understand all aspects of the PRINCE2 methodology
- Learn how to deliver projects on time, within budget and to defined quality requirements
- Integrate the PRINCE2 Principles and Themes into a project
- Establish a project organisation with the appropriate stakeholders
- Apply planning processes that ensure alignment with project, business case and quality requirements
- Manage the progress of a project using the appropriate control mechanisms of PRINCE2
- Prepare participants to pass the Foundation and Practitioner Certificate exams
